

THIELMANN JOBS

THIELMANN – The Container Company is the world's leading manufacturer of stainless steel containers. Our brands UCON, COMET, PORTINOX, THIELMANN and WEW have covered most of the container market and have recently merged to one brand THIELMANN. Our profound knowledge of 275 years of container experience, combined with extremely broad global industry know-how is what makes us unique. We employ 1000 people at locations in Germany, Spain, Mexico, UK and US.
